

A letter to the less fortunate of society:

This letter is to everyone who is currently living out on the streets and living in homeless shelters. First of all, I have to say that I feel sorry for anyone who is currently on the streets or in shelters. I do not wish this on my worst enemy. That is the worst situation.

However, I have some questions for the ones who are living in homeless shelters or on the streets. If all of the shelters were to close their doors to people for good and never reopen, then how would people react to this situation? Would these people have a place to go? Would people have a plan in place just in case the shelters closed? The truth is that one of these shelters has already closed its doors. That shelter was Harbor Lights.

Here is the most important question of all: If you were to die today, would you know beyond a shadow of a doubt that you would go to heaven? The truth is that people die every day. There are people who die that have never even heard of the Holy Bible or Jesus Christ. Sadly, the world and society that we live in tries to ignore the truth, or pretend that it doesn't exist.

The reason why the Holy Bible is hardly spoken of outside of churches and Bible studies is because prayer and Bible were taken out of schools in 1963. In fact, it was a woman who petitioned the Supreme Court to take prayer and Bible out of schools. The events that took place on 9/11 brought America and the world into a new age of unprecedented evil. Ever since then, our country has deteriorated to the point where it is today. Nowadays, school shootings are regular news. The Boston Marathon bombings have also occurred as a result of ignoring the warnings of the Bible.

The enemy behind all of these terrible tragedies and worldly employment (jobs that are secular and not church related) is Satan, the Devil. We cannot see him, but we see all of the things that he does! Murder, rape, drugs, alcohol, and terrorism are all acts of the Devil, whether people want to believe it or not. In the Bible, in Ephesians 6:12, it reads, "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." This Scripture describes Satan's kingdom and everything he instigates. There is no making a deal with the Devil because his job is "to steal, and to kill, and to destroy:" (John 10:10, KJV)

There is also a high tolerance of transgenders, gays, and lesbians in society. Men are supposed to act, dress, and behave like men; and women are supposed to act, dress, and behave like women. The Bible says, "The woman shall not wear that which pertaineth unto a man, neither shall a man put on a woman's garment: for all that do so are abomination unto the Lord thy God." (Deuteronomy 22:5, KJV) Men are leaving women for men, and women are leaving men for women! Romans 1:26-27 reads, "For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet." The truth is that God is not pleased with these "alternative lifestyles."

What I am trying to explain is that salvation is not found in homeless shelters, drug rehab centers, alternative lifestyles, or worldly jobs. Salvation is only found in Jesus Christ. Real Christians either work for a real church (not a Catholic church or a church operating under non-profit tax breaks) or they become entrepreneurs, which means they create books, clothes, music, movies, and art for God's kingdom. There is a Scripture in the Bible that reads, "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will heal their land." (2 Chronicles 7:14, KJV) However, there is a price to pay for not believing in God and His Son, Jesus Christ. The Bible says, "The wicked shall be turned into hell, and all the nations that forget God." (Psalms 9:17, KJV)

This is not a time to ignore reality. In fact, it is time to wake up and realize that the truth must be told, whether people accept it or not. If you do not know Jesus Christ as your Lord and Savior, I pray that you ask Jesus Christ to come into your life today.
